KAE EDUCATION

Why this is right time to get certified

01

Your Course Completes in February

After course completion in february, we start placement drives and conduct interviews.

02

March; Financial Year

In financial year company closes last year books and budget for next year.

03

Appriasal Time (April, May, June)

Many employees leave or change jobs in this period and lots of hiring happens. So this is the best time to switch or upgrade.
